Imagine That – Children’s Book Publication

Dear Rosemary and Members of the Hastings Writers Group

On behalf of Dragonflies at FSN, please accept our sincere thanks for the wonderful cheque of £451.00 collected by our President Mollie Green MBE at the White Rock Hotel on December 8th.

The donation will go directly to Dragonflies and will support local pre-bereaved and bereaved children and young people in the Hastings and surrounding areas.

Christmas can be a challenging time for many disadvantaged families, exacerbated by the loss of someone close to them, attending Dragonflies can often help alleviate the feelings of isolation felt by bereaved children and young people.

Currently there are over 30 children age 5 – 14 years attending peer group sessions and a number of pre-bereaved families supported by the team who are facing a difficult New Year.

During the past 11 years, more than 1900 local children and young people have accessed free help from the project, thanks to the kindness and generosity of our supporters.

Please extend our gratitude to everyone who was involved in the collation, editing and publication of *Imagine That*.

On behalf of FSN, we wish you all the very best for a Happy and Peaceful Christmas and New Year.

Kind regards

Stephanie Edmonds
